Description

Ce manuel s'adresse aux étudiants désireux de s'initier aux institutions et au monde juridique anglais. Il est particulièrement adapté aux étudiants des filières droit, carrières juridiques, AES ou LEA. Au delà, il s'avérera utile pour les étudiants plus avancés ou les professionnels du droit dont les compétences nécessitent une mise à jour. Les auteurs, enseignant tous l'anglais juridique et/ou la grammaire, ont souhaité faire un ouvrage répondant aux besoins d'un public hétérogène. L'exposé théorique a été limité à l'essentiel. L'approche se veut résolument concrète par l'utilisation d'articles de presse récents qui reflètent les évolutions actuelles de la société britannique. Les exercices sont contextualisés et axés sur la pratique de la langue juridique

Nationality can be defined as the legal and political link that associates an ... languages foreseen by the law of 24 February 1984 on the languages regime and.
